

### Origami Bookmark Instructions:

“I can’t help you if you don’t read me!” –♥Instructions

1. You will make only one cut (along the red line) to separate the square from the instructions.

2. Fold along the line marked with ★s, with turquoise side facing up.

3. Fold right corner up to the center. Repeat with the left corner. After creasing, bring them back down.

### \*Printing Instructions:

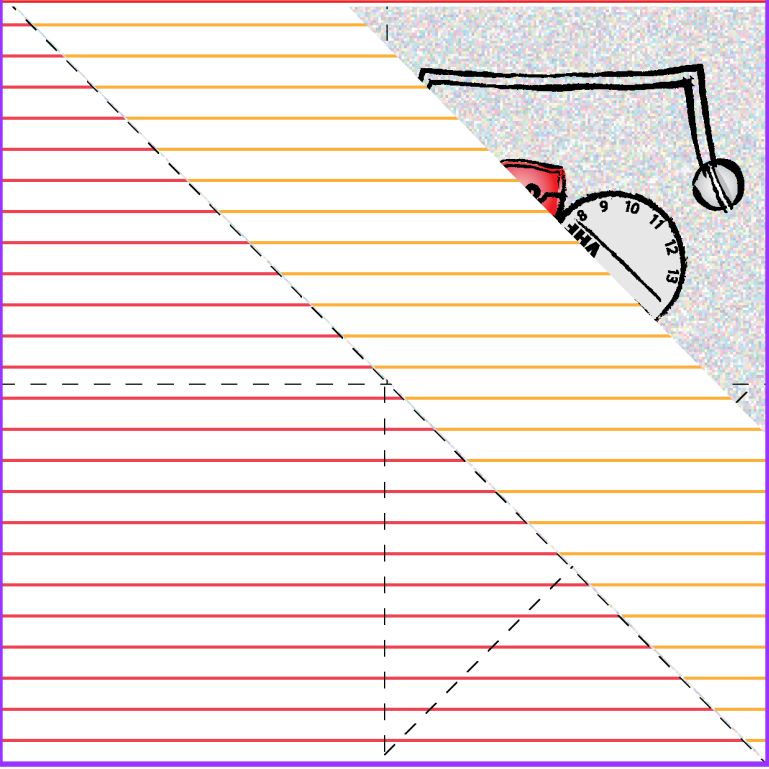

- Print on both sides of paper
- Flip on long edge     Flip on short edge

Cut out the bookmark along the purple lines.

Next, follow the Origami Bookmark instructions printed at the bottom.

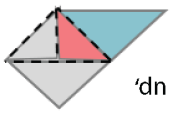

If you have any trouble, get a teacher or parent’s permission and check out the step-by-step video instructions.

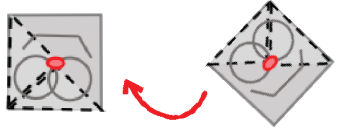

4. Fold the center point down for the top flap only.

5. Take the right corner and bring it back up, fold over and tuck the green part into the red flap you just lowered.

6. Repeat with the left corner.

7. Press to flatten. Viola!
